WELLSPRING WATER TILES

Diluted sources of Wellspring Water exist throughout Valhalla. At the beginning of a round, you may roll the 20-sided die for each Hero you control on a Wellspring water tile. If the result is 12 or higher, that Hero may remove 1 Wound Marker from its Army Card. If the result is a 1 or 2, that Hero becomes confused by visions and suffers 2 wounds. Wellspring water is a type of water, and follows all normal water rules in addition to the rules described above.
